

# SEWER PERMIT APPLICATION

Selah Public Works  
222 S Rushmore Rd. Selah, WA 98942

Email Application to:  
[permits@selahwa.gov](mailto:permits@selahwa.gov)

Phone: (509) 698-7365  
Fax: (509) 698-7372

This application must be filled out accurately and in its entirety or a permit will not be issued. Sewer permits are valid for 12 months from the date issuance.

***Permits for the connection of new or increased wastewater flows to the public sewer shall not be issued until arrangements for payment of the required Connection Charges have been made.***

## INSTALLER'S INFORMATION (Please Print)

☐ Check here if you are a first-time contractor or home owner performing the installation. A free on-site consultation from the City's Public Works Department is available if requested.

## Required Documents:

Please be advised that applications for sewer and water connections will not be accepted without the following required engineering documents.

- Site plan showing the location of the sewer main, stub, and commercial or residential sewer line connection to the main;
- Stamped engineering plans if required; and
- Shop drawings showing the method of connection to the public main.
